

Dr John Davis: Research and recent publications

Journal Articles

Kundo, H. K., Brueckner, M., Spencer, R., & **Davis, J.** (2021). Mainstreaming climate adaptation into social protection: The issues yet to be addressed. *Journal of International Development*, 33: 957– 974.

Spencer, R., Mthinda, C., Masangano, C., Boyd, D. and Davis, J.K. (2018) Uptake and resistance: The rural poor and user-pays agricultural extension in Malawi. *World Development Perspectives*, 9: 48-55.

Murni, S., Urmee, T., Whale, J., **Davis, J.**, & Harries, D. (2014). The implementation of micro hydro projects in remote villages on the border of Indonesia and Malaysia: Lessons learnt. Paper presented at the International Conference and Utility Exhibition on Green Energy for Sustainable Development (ICUE), Pattaya 19-21 March 2014, Pattaya, Thailand.

Murni, S., Whale, J., Urmee, T., **Davis, J.** & Harries, D. (2013) Learning from experience: A survey of existing micro-hydropower projects in Ba'Kelalan, Malaysia. *Renewable Energy* 60: 88-97

Bennett, J., Ainslie, A. and Davis, J. (2013) Contested institutions? Traditional leaders and land access and control in communal areas of Eastern Cape Province, South Africa. *Land Use Policy*, 32. pp. 27-38.

Murni, S., Whale, J., Urmee, T., **Davis, J.** & Harries, D. (2012) The Role of Micro Hydro Power Systems in Remote Rural Electrification: A Case Study in the Bawan Valley, Borneo. *Procedia Engineering* 49: 189-196

Bennett, J., Ainslie, **J. Davis** (2010) Fenced in: Common property struggles in the management of communal rangelands in central Eastern Cape Province, South Africa. *Land Use Policy* 27(2):340-350

Research Outputs

Operational research for CRS in Malawi and Zambia: Smallholder farmers and markets
Agro-enterprise Africa – DFAT funded ADRA Scheme Project
AusAID commissioned research paper on environment and climate change in South Asia

Research Student Supervision

Associate Supervisor

PhD: *The implementation of micro hydro projects in remote villages in developing countries: An interdisciplinary approach.*
